Tennis Anyone?

Bob Talbot

Tennis courts have always been a priority of the member ownership. We are pleased to announce that the construction of two tennis courts, begun behind Newman Hall in mid-July will be completed in early September. Weather permitting, tennis will be "served" Labor Day Weekend!

Those interested in organizing adult and kids Tennis events contact George Goich in the golf shop.

In addition to the tennis, 26 new parking spots have been created between the pool and the tennis courts.

A 20's Revival

Members gather on the front yard of the Mansion for a group photo during the 1920's grand opening party.

Dressed as gangsters, police officers and flappers, Turner Hill members entered the completed Mansion for the first time in early July to throw one great party.

In a throw back to the era of the Mansion, members came dressed in true 20's style without prohibition to get in their way.

"It turned out to be a really great night," said Director of Mansion Operations, Danielle Gallant, "the weather was perfect and everyone really got into the 20's theme."

This event was the first of many scheduled for 2008.

Upcoming events include:

- *August 16th - Peacock Party Reggae Party
- **Sept 12th - Political Satire Comedy Dinner
- ***October 24th - Dueling Piano Night

For additional 20's Photo's see page 6

Comedian Steve Sweeney gets some laughs from the Turner Hill crowd.

Sweeney Steals the Stage

When the members of Turner Hill heard that comedian Steve Sweeney would be the headliner for our first ever comedy night in the Mansion the reservations filled up quickly. Over 130 members and guests of the Golf Club at Turner Hill came out to see this comedic superstar who did not disappoint.

With topics such as politics, religion and even the spirit of Mrs. Rice, Sweeney got many laughs out of the Turner Hill crowd.

Based on the success of the first comedy night, we will be hosting a comedy dinner theater night with a troop of political satirists on Friday, September 12th.

Make sure to check the member's website for social event updates and registration information.

Members Website

Bob Talbot

It is very important that all members learn how to log on to, and frequently visit the web site: www.turnerhill.com. The web site is updated daily, providing valuable information to members regarding the golf course schedule, tournaments, social activities, tickets available to sporting events and concerts, dining hours, individual club charges, golf lessons, etc...

In the very near future, the website will provide information on tennis, game room, and Mansion reservation guidelines, the new menu for the Peacock Grille and the yet to be named formal dining room, menu specials being offered by Executive Chef Ron, as well as Turner Hill's social calendar.

It is important to note, that with our growing membership, it will become more difficult, if not impossible, to inform our membership of all the activities and various scheduled events here at Turner Hill without members use of our web site. Please take a few moments to set up your account and navigate the site so you may become familiar with it. If you should have any trouble, please contact Membership Director, Paul Casey pcasey@turnerhill.com who will be more than happy to offer assistance.

A Message from Director of Golf George Goich

The golf season has hit the mid-point and we are seeing tremendous activity at the club. The Women's Member Guest and the Men's Member Guest Events held in late July and early August were a great success. I am very pleased to announce that many guests personally told me what a beautiful place this is and that it was the best Member/Guest events they ever attended.

Congratulations to the Golf Committee, the golf and F&B staff, and to those members who attended!

Please contact the golf shop or check the website for the schedule of events for the remainder of the season.

With the opening of the mansion, we have ample room for small corporate golf/meetings for the remainder of the season. Please contact me to book a small golf outing for your business or personal golf event for groups over 20 players.

On September 15th, Turner Hill is pleased to welcome the Cadillac Clinics Hosted by David Leadbetter. The club will be closed all day but Members may participate in the clinics and be a volunteer (we need 20 volunteers), please check with the golf shop for more information and to sign up.

Play well, and remember, have fun, replace your divots and repair your ballmarks! Your fellow members appreciate it!

Kid's Club Takes Off

In its inaugural season, the Kid's Club at Turner Hill has become a popular place to be.

Understanding that many of our members have young children, often making it difficult to use the club as much as they would like, the club has set up the Kid's Club located in Newman Hall.

This added amenity allows members to leave their children with Mrs Moracco, Kids Club Director, for four hours, twice a week, during the summer. Here, your kids play games, read, interact with other kids, work on special projects, and enjoy a great learning experience.

During Kid's Club, parents take time to get out on the golf course, take a lesson, use the new fitness center, enjoy a swim at the pool, have a great lunch, or simply relax in the members lounge.

A number of the kid's club dates are set up to coincide with club events such as golf clinics, 9 and dines and Mansion Social Events. "The Kid's Club has really taken off in the past few weeks" said Mrs. Moracco, "as the membership has been growing so has the Kid's Club."

Those interested in signing up for the Kid's Club or have any questions about the program, please contact Danielle Gallant at dgallant@turnerhill.com.

Turner Hill adds 70 new Parking Spots

Bob Talbot

Much needed parking near the maintenance facility was completed at the end of July. The lot has worked out well as 70 vehicles fit nicely in the new lot during a recent large golf outing. This lot will serve as an overflow lot to the golf and pool parking lots, and will be the primary lot for outside function events and parking for employees.

Fully Stocked

Brian Pelland

Since its inception, over 45 members have joined the Haddington Wine Club. Haddington Wine Club members may order off of the club's non-stocked wine list of over 1000 bottles for just over the club's cost.

Ready to "Have a Ball"!!!!

Bob Talbot
